05 / MEMBERSHIP TERMS AND CONDITIONS

1. Membership

ASEEE membership is personal to the member named in this application, or to the organisation that applies in its own name. It cannot be transferred, lent or shared.

2. Accuracy of information

The applicant confirms that every statement and document supplied is true, current and complete, and will tell ASEEE within 30 days of any change. False or misleading information is a ground for refusing or cancelling the membership without refund.

3. Code of professional conduct

Members work to recognised electrical safety practice, respect the codes and standards in force where they work, do not sign for work they did not supervise, and do not use the ASEEE name, logo or membership number in a way that suggests ASEEE has approved a product, an installation or a service.

4. Fees and term

Membership runs for the period paid for, from the date of activation. The fee is payable in advance and is not refundable once the membership certificate has been issued. A membership that is not renewed by its last day lapses, and the certificate and membership number may no longer be used.

5. Certificate and verification

The membership certificate stays the property of ASEEE. Its validity can be checked by anyone through the public verification page; ASEEE may publish the member name, country, membership number and validity for that purpose.

6. Suspension and cancellation

ASEEE may suspend or cancel a membership for breach of these terms, for conduct that endangers people or property, or for misuse of ASEEE credentials. The member may send a written reply within 14 days of the notice.

7. Personal data

ASEEE keeps the information of this application to assess it, to manage the membership and to contact the member. It is not sold or passed to third parties for marketing.

06 / DECLARATION AND SIGNATURE

I declare that the information in this form and in the enclosed documents is true and complete, that I have read the membership terms and conditions printed in this form and that I accept them. I understand that false information may lead to the refusal or the cancellation of the membership.
